PRESIDENT'S SECRETARIAT

New Delhi, the 19th July, 1961

No. 30-Pres./61.—The President is pleased to award the President's Police and Fire Services Medal for gallantry to the undermentioned officer of the Assam Police:

Name of the officer and rank

Shri Dalip Singh Gurung, Armed Branch Sub-Inspector of Police, Assam.

Statement of services for which the decoration has been awarded

On receipt of information at about 9 P.M. on the 5th May, 1960, that a batch of armed Naga hostiles had crossed the Jiri river from Manipur and entered the village of Purana Shankai in Assam, intimidating the villagers and demanding money and provisions from them, Shri Dalip Singh Gurung, Armed Branch Sub-Inspector of the Hangrum Outpost in the North Cachar Hills, at once left for the village along with Sarvashri Dharni Dhar Baisya, Havildar, Lal Bahadur Thapa and Dal Bahadur Chhetri, Constables of the 3rd Battalion Border Security Force and 13 other ranks. The Police party reached the village at about 3-30 A.M. on the following day and surrounded the village and searched for the hostiles. The party was informed by the villagers that the hostiles had withdrawn to a Jhum hut near the Jiri river. Shri Dalip Singh Gurung divided his men into suitable groups and went forward with a guide. Shri Dalip Singh and his men crossed the fence and on going a few yards ahead, noticed an armed Naga hostile on sentry duty on the right side of the hut. Shri Dalip Singh ordered his men to advance and surround the hut. In the meantime the hostile Naga at sentry duty was able to see Shri Dalip Singh and warned his companions inside the hut of the arrival of the police party. Another Naga hostile came out of the hut and opened fire with his sten-gun. The police party returned the fire. After exchange of heavy fire, the hostiles ran out of the hut and started to withdraw towards the river, halting and firing at the policemen from behind cover wherever possible. During this encounter, the Naga hostile who came out from the hut to fire at the police party was seen dropping. Shri Dalip Singh Gurung then ordered his men to charge, firing from the hip position. Shri Dalip Singh always remained in the vanguard and kept on firing from his TMC. In this pursuit one Naga hostile was shot dead and another was killed by bayonet and injuries were inflicted on several others who, unfortunately, managed to escape into the thick jungle towards the Manipur boundary. On a thorough search it was discovered that 8 hostiles had died in the encounter. Four of them were found inside the hut and must have been killed during the initial exchange of fire. An unarmed Naga who was accompanying the hostiles was taken prisoner and one sten gun, four Mark III rifles, two Japanese rifles one bayonet and a large quantity of ammunition were recovered.

In this encounter Shri Dalip Singh showed exceptional gallantry, courage and leadership of a high order. He moved about in the midst of heavy exchange of fire and gave his men suitable directions in utter disregard of his personal safety.

2. This award is made for gallantry under rule 4 (i) of the rules governing the award of the President's Police and Fire Services Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

No. 31-Pres./61.—The President is pleased to award the Police Medal for gallantry to the undermentioned officers of the Assam Police:

Names of the officers and ranks

1. Shri Dharni Dhar Baisya, Havildar, 3rd Battalion, Border Security Force, Assam.
2. Shri Lal Bahadur Thapa, Constable No. 399, 3rd Battalion, Border Security Force, Assam.
3. Shri Dal Bahadur Chhetri, Constable No. 376, 3rd Battalion, Border Security Force, Assam.

Statement of services for which the decoration has been awarded.

On receipt of information at about 9 P.M. on the 5th May, 1961, that a batch of armed Naga hostiles had crossed the Jiri river from Manipur and entered the village of Purana Shankai in Assam, intimidating the villagers and demanding money and provisions from them, Shri Dalip Singh Gurung, Armed Branch Sub-Inspector of the Hangrum Outpost in the North Cachar Hills, at once left for the village along with Sarvashri Dharni Dhar Baisya, Havildar, Lal Bahadur Thapa and Dal Bahadur Chhetri, Constables of the 3rd Battalion Border Security Froce and 13 other ranks. The Police party reached the village at about 3-30 A.M. on the following day and surrounded the village and searched for the hostiles. The party was informed by the villagers that the hostiles had withdrawn to a Jhum hut near the Jiri river. Shri Dalip Singh Gurung divided his men into suitable groups and went forward with a guide. Shri Dalip Singh and his men crossed the fence and on going a few yards ahead, noticed an armed Naga hostile on sentry duty on the right side of the hut. Shri Dalip Singh Gurung ordered his men to advance and surround the hut. In the meantime the hostile Naga at sentry duty was able to see Shri Dalip Singh and warned his companions inside the hut of the arrival of the police party. Another Naga hostile came out of the hut and opened fire with his sten gun. The police party returned the fire. After exchange of heavy fire, the hostiles ran out of the hut and started to withdraw towards the river, halting and firing at the policemen from behind cover wherever possible. During this encounter, the Naga hostile who came out from the hut to fire at the police party was seen dropping. Shri Dalip Singh Gurung then ordered his men to charge, firing from the hip position. Shri Dalip Singh always remained in the vanguard and kept on firing from his TMC. Two more hostiles were killed and injuries were inflicted on several others who, unfortunately managed to escape into the thick jungle towards the Manipur boundary. It was discovered later upon a thorough search that in fact 8 hostiles had died in the encounter. Four of them were found inside the hut and must have been killed during the initial exchange of firing. Some rifles and ammunition were also captured. A Naga hostile was taken prisoner. No casualty was suffered by the Police party.

Throughout this encounter Havildar Dharni Dhar Baisya, Constable Lal Bahadur Thapa and Constable Dal Bahadur Chhetri were always in the thick of the fight and carried out their leader's instructions faithfully and courageously. During the charge firing from their hip position they were all along in the forefront while Shri Lal Bahadur fired from his LMG accurately and killed most of the hostiles in the hut. Shri Dal Bahadur Chhetri charged an armed Naga hostile and killed him with his bayonet in a hand to hand fight.

In this encounter Shri Dharni Dhar Baisya, Shri Lal Bahadur Thapa and Shri Dal Bahadur Chhetri, showed exceptional gallantry, courage and devotion to duty in complete disregard of their personal safety.

2. These awards are made for gallantry under rule 4 (i) of the rules governing the award of the Police Medal and consequently carry with them the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

No. 32-Pres./61.—The President is pleased to award the Police Medal for gallantry to the undermentioned officer of the Assam Police:—

Name of the officer and rank

Shri Jahiruddin Ahmed, Assistant Sub-Inspector of Police, District Executive Force, Nowgong, Assam.

Statement of services for which the decoration has been awarded.

During the language disturbances in Assam on the 7th July, 1960, when Shri Jahiruddin Ahmed, Assistant Sub-Inspector of Police, was on duty at Rupohihat Police Station in Nowgong District, a violent mob of about 500 persons armed with deadly weapons suddenly appeared at Rupohi Bazar from several directions. The mob attacked the houses of a particular community and resorted to indiscriminate looting and arson with the result that many residents of Rupohi Bazar left their houses abondoning their valuable properties. Assistant Sub-Inspector Jahiruddin Ahmed faced the mob with courage and in complete disregard of personal safety, succeeded in rescuing many victims including women and children from the clutches of the frenzied mob and brought them to Rupohihat Police Station for safety. The violent mob then attacked the Police Station where many men, women and children had taken shelter. The Assistant Sub-Inspector came out with his gun and succeeded in driving away the hooligans. The Assistant Sub-Inspector thus faced the violent mob almost single handed. But for the commendable courage, presence of mind and devotion to duty exhibited by the Assistant Sub-Inspector Shri Ahmed the lives of many persons would have been lost at the hands of the hooligans.

2. This award is made for gallantry under rule 4 (i) of the rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

MINISTRY OF COMMUNITY DEVELOPMENT & COOPERATION

(Department of Cooperation)

New Delhi, the 22nd July 1961

No 8-11/61-Plan—In its resolution on cooperative policy the National Development Council recommended that responsibility for social and economic development at the village level should be placed fully on the village cooperative and the village panchayat These two institutions at the village level and their higher tiers must function harmoniously and play a complementary role to one another. Panchayati raj has been in operation for some time in a few States and has already thrown up certain problems concerning its relationship with cooperatives Government have, therefore, decided to constitute a Working Group to go into the question of their inter relationship

2 The terms of reference of the Working Group will be:

(a) to study the working of panchayati raj in its relationship to and its impact on cooperatives in some selected States;

(b) to suggest measures whereby cooperatives and panchayats can perform their respective roles without conflict and strengthen one another,

(c) to suggest demarcation of responsibilities between the panchayat and cooperative institution,

(d) to suggest concrete measures for securing co ordination between the two sets of institutions.

3 The Working Group will consist of:

Chairman

1. Shri S D Misra, Parliamentary Secretary, Ministry of Community Development and Co-operation.

Members

2 Shri Chintamani Panigrahi, M P., Orissa.

3 Shri H C Mathur, M P, Rajasthan.

RESOLUTION

New Delhi, the 19th July 1961

INDIAN NATIONAL COMMISSION FOR COOPERATION WITH UNESCO

No. F 21-1/61-UU(INC)—The Government of India have been a member of the United Nations Educational, Scientific and Cultural Organization, a Specialised Agency of the United Nations Organisation, since its inception in 1946 Article VII of the Constitution of Unesco requires that "each Member State shall make such arrangements as suit its particular conditions for purposes of associating its principal bodies interested in educational, scientific and cultural matters with the work of the Organisation, preferably by the formation of a National Commission broadly representative of the Government and such bodies" and further defines that 'National Commissions or National Cooperating Bodies where they exist, shall act in an advisory capacity to their respective delegations to the General Conference and to their Governments in matters relating to the Organisation and shall function as agencies of liaison in all matters of interest to it" In fulfilment of the requirements of the Constitution of Unesco and with a view to ensuring the active participation of the people in the implementation of various programmes of Unesco, an interim Indian National Commission for Cooperation with Unesco was set up in 1949 by the Government of India, Ministry of Education Resolution No F 84 92/48 A 1 dated the 26th March, 1949 The Interim Commission was placed on a permanent footing in 1951 in order to ensure a better implementation of Unesco's programmes in the country through the Government of India, Ministry of Education Resolution No F 134 27/50 A 5 dated the 16th October, 1951, as modified by subsequent Resolutions No F 15 1/52 A 5, dated the 31st July, 1952 and No 1 25 15/51 A 5, dated the 3rd December, 1954

2 In view of the large number of Unesco's fields of activity, the variety of tasks on which it is engaged and, in particular, the rapid expansion in the scope and extent of its programme during recent years, it has been realised that the Indian National Commission needs to be reorganised and its secretariat strengthened to enable it to fulfil its growing functions and responsibilities in an adequate and effective manner More over the Indian National Commission is being increasingly called upon to combine the will of the Government with the spontaneous impulses of the nation in furtherance of the aims and activities of Unesco, the most important of which is the pursuit of a common aim namely, international understanding and cooperation In this task the Indian National Commission needs the whole-hearted support and cooperation of all sections of the people which could be assured by associating more actively the national non-governmental organisations in the various fields of Unesco's competence with the work and programme of the Indian National Commission

3 Guided by the foregoing considerations, the Executive Board of the Indian National Commission at its ninth meeting held in New Delhi in October, 1959, authorised the Chairman of the Board to set up a Committee to review the constitution of the Commission The Chairman accordingly appointed a Committee comprising Dr Tara Chand (Chairman), Prof N K Sidhanta, Dr T R Seshadri, Shri K R Kripalani and Shri P N Kirpal (Convenor) In the light of recommendations made by the Committee, a draft revised constitution was prepared and placed before the tenth meeting of the Executive Board of the Commission held in New Delhi in June 1960 The draft constitution was approved by the Executive Board with some modifications The draft constitution, as approved by the Executive Board, was considered by the Indian National Commission at its fourth conference held in New Delhi in October 1960 The conference gave directives for some further modifications in the constitution before putting it into effect The constitution prepared in accordance with these directives and as accepted by the Ministry of Education, Government of India is as follows —

RESOLUTION

New Delhi, the 19th July 1961

No. F(P)/61/PF-1/10.—It is announced for general information that the rate of interest on deposits and also on balances at the credit of subscribers to the State Railway Provident Fund on the 31st March, 1961 is 3·75 per cent. and that this rate will be in force during the financial year beginning on the 1st April, 1961, except in the case of subscribers who are entitled, under the rules of the Fund, to a higher minimum rate of interest.

Ordered that the Resolution be published in the Gazette of India.

D. V. REDDY, Secy.

MINISTRY OF IRRIGATION AND POWER

New Delhi, the 22nd July 1961

No. 71(1)/61-DWI.—The following Resolution of the Government of Madhaya Pradesh, Public Works Department, is republished in the Gazette of India for general information.

RESOLUTION

No. 3722/CR 86/XIX/E dated Bhopal, the 15th June, 1961.

1. (i) The Tawa Multipurpose Project is now ready for implementation. The project when completed will offer valuable irrigation, power and other benefits to Madhya Pradesh and thus it is necessary to take effective action for its speedy execution

CONSTITUTION OF THE TAWA CONTROL BOARD

(ii) With a view to ensuring efficient, economical and early execution of the Tawa Multipurpose Project including all connected Works in Madhya Pradesh, the Government of Madhya Pradesh with the consent of the Government of India have decided to set up a Control Board for the Project as described below

(iii) The Control Board will be in overall charge of the Project including its technical and financial aspects. The actual work of the construction will be carried out, under the direction of the Control Board, by the Chief Engineer/Deputy Chief Engineer of the Project, who will have powers to contract for works, supplies and services at the direction of the Control Board, such contracts to be executed as on behalf of the Government of Madhya Pradesh

2 The Tawa Control Board will consist of the following:—

Chairman

(1) Chief Minister of Madhya Pradesh

Vice-Chairman

(2) Minister of Public Works, M.P.

Members

(3) Minister of Finance, M.P.

(4) Deputy Minister of Public Works, M.P.

(5) Secretary, Public Works Deptt., Government of Madhya Pradesh

(6) Secretary, Finance Department, Govt of Madhya Pradesh.

(7) A representative of the Ministry of Irrigation and Power, Govt. of India

(8) A representative of Ministry of Finance, Govt of India.

(9) A representative of the Central Water and Power Commission, Govt of India

(10) Chairman, M.P. Electricity Board,

(11) Chief Engineer, Irrigation, M.P.

(12) Chief Engineer/Deputy Chief Engineer of the Project.

The Board will be assisted by a whole time Secretary of the grade of Superintending Engineer, a whole time Financial Adviser (to be appointed by the Government of M.P. in consultation with the Government of India) and such other staff as may be necessary The Secretary and the other staff will be appointed by the Government of M.P. on the recommendations of the Board

The head quarters of the Board will, for the present be located at the dam site.

The Board shall have the powers to invite to its meetings such other officers as it may consider necessary

3. In particular and without prejudice to the generality of the provisions above, the Tawa Control Board will—

(i) scrutinise the estimate of the project, advise necessary modifications and recommend the estimate for administrative approval of the State Government;

(ii) examine and decide all proposals for preparation of designs and for obtaining expert advice;

(iii) examine and approve from time to time the delegation of such powers, both technical and financial as it may deem necessary, for the efficient execution of the Project, to the Chief Engineer/Deputy Chief Engineer and other officers concerned with the execution of the project;

(iv) examine and where necessary, lay down specifications and schedule of rates for various classes of works with a view to sound and efficient execution of the project;

(v) approve all sub estimates and contracts the cost of which exceeds the power of sanction of the Chief Engineer/Deputy Chief Engineer;

(vi) approve all proposals for award of work or supplies on contract other than those based on public tenders and on detailed quantitative estimates and works allotted on work order basis on scheduled rates.

NOTE 1.—Where total financial liability under a contract is definitely ascertainable at the time of placing the contract and where the contract itself is the result of a public or limited call for tenders, prior submission of the proposals to the Control Board will not be necessary so long as the contract is otherwise within the powers of sanction of the Chief Engineer/Deputy Chief Engineer.

NOTE 2.—This will not affect the powers delegated from time to time to the Chief Engineer/Deputy Chief Engineer and his subordinate officers.

(vii) frame rules as to delegation of powers and procedure for the purposes of carrying out its business;

(viii) decide on the programme of construction of different parts of the project, keeping in view the funds available, the economics of the Project and the desirability of obtaining quick results;

(ix) decide on the stage development of water power and the withdrawals of water from the reservoir during the construction period for irrigation and power purposes with a view to securing best use of water availability;

(x) decide on the programme of resettlement of persons, scrutinise and approve the estimates of land reclamation and the expenditure incurred in resettlement and rehousing of the displaced persons including land acquisition and connected charges;

(xi) receive such progress reports as it may prescribe both as to works and expenditure in the prescribed form from the Chief Engineer/Deputy Chief Engineer and other officers, review the progress of different units of the project and lay down steps to be taken to expedite the work;

(xii) recommend suitable soil conservation measures required to be taken in the catchment areas to the Government concerned,

(xiii) recommend measures for the development of pisciculture in relation to the Project to the Government of Madhya Pradesh,

(xiv) fix responsibility and recommend suitable disciplinary action in the case of officers of the project,

(xv) any other functions that may be agreed upon between the Central Government and the Government of Madhya Pradesh

4 The Board will frame its rules of business
